Formerly called Humane Society Legislative Fund

# **2026 Virginia Humane Scorecard**

## 2026 Scored Virginia Legislation

### Pet-Inclusive Housing (HB 1415)

A ✓ indicates a vote in support of HB 1415, which requires any multifamily residential development built with public funds to allow residents to keep at least one common household pet—with no breed restriction and a weight limit of 65 pounds—and requires landlords subject to the Virginia Residential Landlord and Tenant Act to disclose pet terms with any rental application. Pet-inclusive housing keeps families and their animals together and reduces the shelter surrenders that housing barriers cause.

**Sponsors:** Del. Charlie Schmidt (D)

**Status:** Passed House of Delegates.

### Local Authority Over Pet-Shop Sales (HB 1238)

A ✓ indicates a vote in support of HB 1238, which authorizes any locality, by ordinance, to require a permit for, regulate, or prohibit the retail sale of animals in pet shops and by companion-animal dealers, with the permit fee capped at \$50 per year and revenues dedicated to enforcement. The bill restores local authority to curb the sale of puppy-mill-sourced animals and to set humane standards community by community.

**Sponsors:** Del. Irene Shin (D)

**Status:** Passed House of Delegates

### Diamondback Terrapin Protection (HB 1013)

A ✓ indicates a vote in support of HB 1013, which directs the Marine Resources Commission—working with the Virginia Institute of Marine Science and the Crab Management Advisory Committee—to establish diamondback terrapin protection areas in the Chesapeake Bay and its tributaries and to require bycatch reduction devices on recreational crab pots within those areas, with a Class 3 misdemeanor for violations. Terrapins drown by the thousands in crab pots; inexpensive excluder devices nearly eliminate that bycatch while helping protect the marshes terrapins depend on.

**Sponsors:** Del. Kathy Tran (D)

**Status:** Passed House of Delegates

### Permit to Hunt with Dogs (HB 1396)

A ✓ indicates a vote in support of HB 1396, which directs the Department of Wildlife Resources to establish permits for individuals and organizations that hunt game animals, fur-bearing animals, and nuisance species with dogs; makes it unlawful to release a dog to hunt across real property without a permit; and sets civil penalties for violations. Exemptions include mounted fox hunting, waterfowl and bird hunting, tracking wounded game, dogs kept in the hunter's immediate control, and public hunting lands.

**Sponsors:** Del. Marty Martinez (D)

**Status:** Passed House of Delegates

#### Premature Separation & Hybridization of Captive Wildlife (HB 112/SB 344)

A ✓ indicates a vote in support of HB 112/SB 344, which makes it unlawful to prematurely separate captive-born mammalian wildlife from their mothers before four months of age (with an exception for documented medical necessity ordered by a licensed veterinarian) and to intentionally propagate wildlife of different species (hybridization) for commercial purposes. Exemptions cover agricultural animals, accredited zoological facilities, and licensed wildlife rehabilitators. The bill targets unaccredited roadside menageries that tear still-nursing infants from their mothers for public “encounters” and sale.

**Sponsors:** Sen. Jennifer Boysko (D) and Del. Amy Laufer (D)

**Status:** Signed by Governor

#### Shelter Veterinarian Licensure (HB 1287)

A ✓ indicates a vote in support of HB 1287, which directs the Board of Veterinary Medicine to amend its licensure and renewal applications so applicants can indicate interest in serving as a veterinarian for public or private animal shelters, and to provide a quarterly list of those veterinarians to shelters through the State Veterinarian. The measure helps under-resourced shelters connect with veterinarians and expand access to care.

**Sponsors:** Del. Laura Jane Cohen (D)

**Status:** Signed by Governor

#### Dog Devocalization Ban (SB 707)

A ✓ indicates a vote in support of SB 707, which prohibits performing a surgical devocalization (“debarking”) procedure on a dog except in narrow circumstances—where training and electronic anti-bark devices have proven ineffective and the surgery is necessary to keep the dog from being rehomed because of excessive barking. A first violation is a Class 1 misdemeanor and a repeat within 36 months is a Class 6 felony; veterinarians who perform the procedure must keep a record for four years. Devocalization is a painful procedure that silences a dog without addressing the cause of the barking.

**Sponsors:** Sen. J.D. "Danny" Diggs (R)

**Status:** Signed by Governor

#### Veterinary Traineeship (SB 331)

A ✓ indicates a vote in support of SB 331, which expands the Board of Veterinary Medicine's veterinary traineeship pathway—allowing a veterinary-medicine licensure applicant to engage in the limited practice of veterinary medicine under the direct supervision of a licensed veterinarian. The measure strengthens Virginia's veterinary workforce pipeline and access to animal care.

**Sponsors:** Sen. Danica Roem (D)

**Status:** Signed by Governor

### Malicious Killing Penalty (SB 261)

A ✓ indicates a vote in support of SB 261. The bill would strengthen Virginia's animal cruelty laws by making it a Class 6 felony to maliciously kill a companion dog or cat, regardless of whether the animal belongs to the offender or someone else. Under current law, a felony applies only when a person commits certain acts of extreme cruelty that result in serious injury, death, or euthanasia. This bill expands the law to specifically criminalize the malicious killing of a companion dog or cat as a felony on its own.

**Sponsors:** Sen. Bill Stanley (R)

**Status:** Passed State Senate

### Humane World Action Fund

Humane World Action Fund, formerly Humane Society Legislative Fund, was formed in 2004 as a separate lobbying affiliate of Humane World for Animals, formerly The Humane Society of the United States. Humane World Action Fund works to pass animal protection laws at the state and federal levels, to educate the public about animal protection issues, and to support humane candidates for office.

Humane World Action Fund is a social welfare organization incorporated under section 501(c)(4) of the Internal Revenue Code. Contributions or gifts to Humane World Action Fund are not tax deductible. Your donation may be used for lobbying to pass laws to protect animals, as well as for political purposes, such as supporting or opposing candidates.
